Mandatory Condition #1: The defendant shall not commit another Federal, state, or local crime.

On November 17, 2020, this officer was informed that the offender, who had absconded from supervision a few months prior, had been charged with committing a hit and run. According to the information received, Mr. Perez rear-ended a vehicle that had stopped for traffic. The offender fled the scene, in the wrong lane of travel, without exchanging information with the other driver and a chase ensued.

Attempts by law enforcement to contact the offender were unsuccessful, but they were able to speak with his girlfriend, who is the registered owner of the vehicle. She confirmed that Mr. Perez did in fact have the vehicle on the day in question.

After he was finally located and arrested, the offender appeared in Spokane Municipal Court on March 8, 2022, to address the new alleged law violation. Mr. Perez was subsequently sentenced to credit for time served (90 days imprisonment) followed by a 24-month term of probation.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
